

## About the Program

Through the Memorial Bench & Tree Program, donors provide a dedication placing a tree or bench in one of Hastings' parks or along a city trail.

This dedication provides a lasting remembrance in honor of someone and enhances the meaning of a bench or tree to observers. The gift is also a valuable contribution to the park system to be used and enjoyed by all.

Installation may be limited by seasonal restrictions & order timeframes.

## The Hastings Parks & Rec. Department will install & maintain your bench or tree

### **BENCHES:**

The City of Hastings will provide a concrete pad for the bench and will also install it for you. Benches are 6 feet long and made of vinyl-coated metal. Color choices include green, blue, or brown. An engraved metal plaque will be attached to the bench.

**Bench Cost: \$1,000 includes your custom plaque, installation & lifetime maintenance**

### **TREES:**

The trees are 2-2 ½ inches in diameter, balled & burlapped. Examples of trees that grow well in our climate include Linden, Maple, Elm, or Oak. Other varieties can be discussed with the City Forester. An engraved plate honoring your loved one will be placed on a plaque at City Hall.

**Tree Cost: \$400 includes a personalized plate at City Hall.**
