

April 29, 2024

Dear Property Owner/Resident:

This letter serves as a courtesy to inform you the mill and overlay project will begin the **week of May 6th**. In preparation, you will likely begin to see:

- Installation of "Road Work Ahead" signs
- White paint delineating curb and sidewalk replacement
- Paint and flags identifying utility locates

During the first week of the project, crews may:

- Remove and replace selected manholes and catch basins
- Remove dilapidated concrete curb and gutter, and re-pour
- Remove the concrete pedestrian ramps on the sidewalks, and re-pour

Please be mindful of the construction workers and exercise caution by driving slow! The City acknowledges the inconvenience and thanks you in advance for your cooperation during this project! There are twelve streets on this year's project. If they are not working directly in front of your home then please know they are somewhere in town on the jobsite and may be right around the corner.

As mentioned in the first letter, please have garbage carts curbside by 6am as Tennis Sanitation has agreed to pick up trash by 7am during the project to minimize conflicts. The project will be substantially complete by the end of June.

For more project information, including the informational letter dated April 16th that went out to all residents, please visit our website: <https://www.hastingsmn.gov/city-government/city-departments/public-works/engineering-department/construction-project-information-updates/mill-overlay-program>

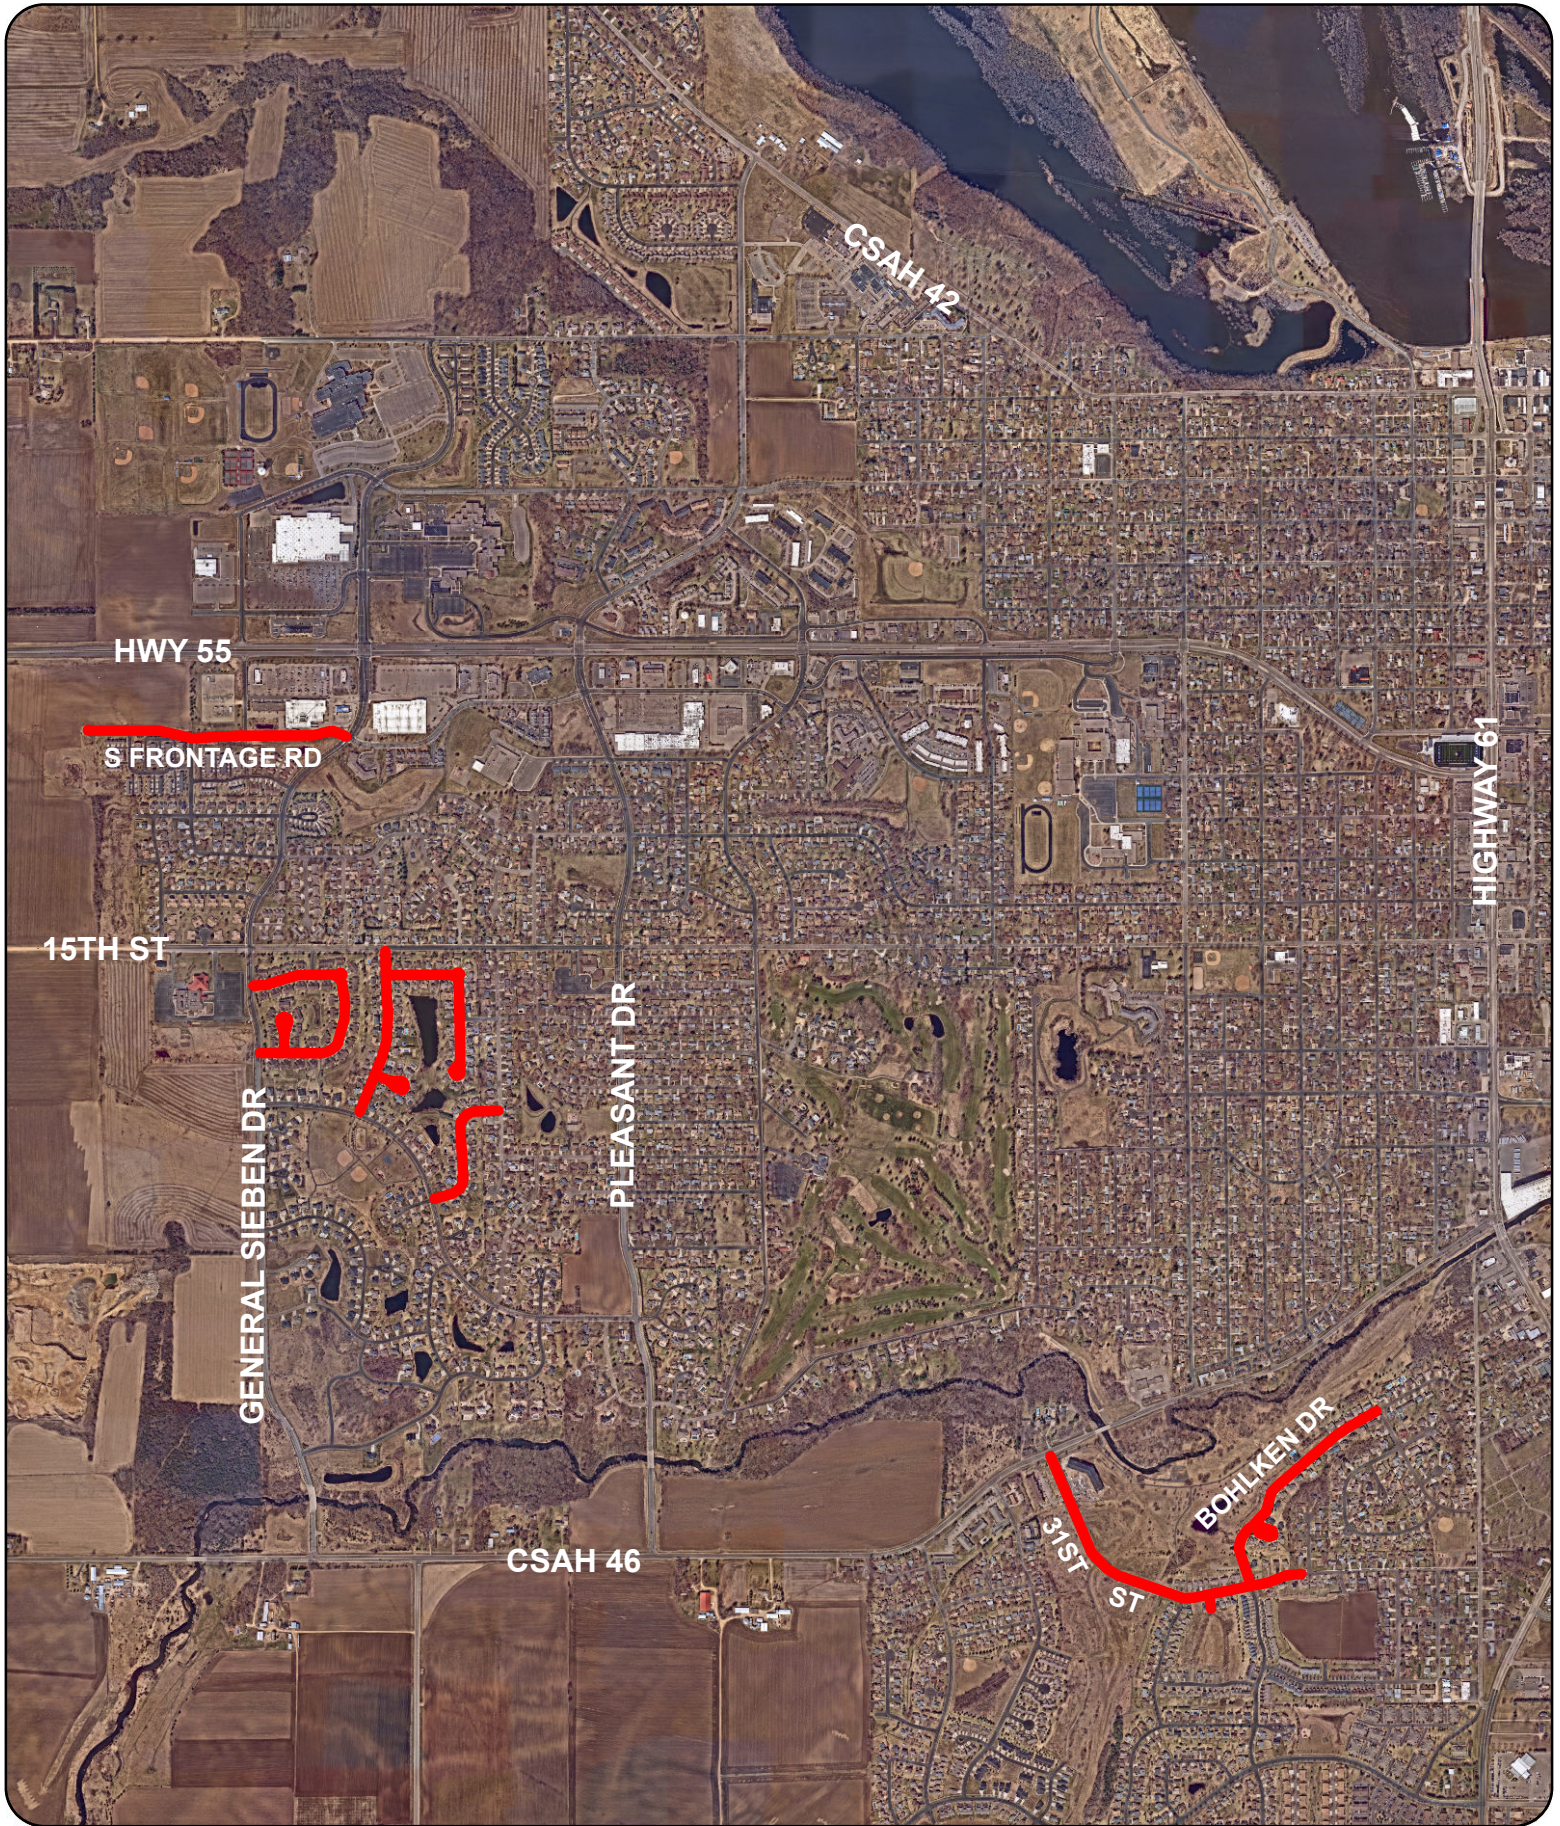

If you have any questions feel free to call me at 651.480.2369.

Sincerely,

A handwritten signature in black ink that reads "John Caven".

John Caven, P.E.
Assistant City Engineer

Cc: Mayor & City Council
Ryan Stempski, P.E., Public Works Director/City Engineer
