

2024 Mill & Overlay Program Update #2 – 5/17/24

What has happened this past week?

- Removed concrete curb & gutter on Carleton Dr/Pl and Stonegate Rd
- Removed pedestrian ramps on Carleton Dr, Wyndham Hill Dr and Stonegate Rd
- Completed pouring new concrete curb & gutter and pedestrian ramps
- Patched bituminous around concrete curb & gutter
- Patched bituminous around gate valves
- Paved bituminous trail behind new pedestrian ramps (Friday)

Above Left: Pouring curb & gutter

Above Center: Patch bituminous around curb & gutter

Above Right: Patch bituminous around gate valve

What is scheduled for next week?

- Adjust selected manholes and gate valves
- Complete patching around concrete curb & gutter
- Backfill top soil behind concrete curb & gutter

Note: Curb & gutter at driveways may be driven on 7 days after it was poured. Please continue to expect hit or miss minor traffic delays during the construction project. Be mindful to keep speeds down while driving through the project. If possible, use alternate routes to minimize disruption to the work. The tentative schedule for milling and paving is still the week of June 3rd (weather dependent; subject to change). The City understands this project is an inconvenience and appreciates your cooperation and patience as we improve the quality of these roads for you!

Questions or Concerns?

- Project management services are being provided by the City's Engineering Department. Please call the Assistant City Engineer at (651) 480-2369 with project related questions and concerns.

Spread the Word & Encourage Updates!

- Please make sure to share this information with your neighbors and tenants. Feel free to encourage them to obtain a copy of the Construction Update if they have not already done so! Typically, new updates are posted on Friday.
