

## 2024 Neighborhood Infrastructure Improvements Construction Update #1 – 6/7/2024

### **Changes to originally provided schedule:**

Our Contractor, A1 Excavating, still anticipates arriving with 2 crews, but with a different order of operations as a result of recent weather delays that they have incurred with utility installation crews:

- **Monday, June 10<sup>th</sup>** – Street work is planned to begin on **21<sup>st</sup> Street West, Brooke Lane, and Brooke Court**
- **Week of June 17<sup>th</sup>** – Street and Utility work is planned to start on **17<sup>th</sup> Street West.**

### **What is scheduled for the week of June 10<sup>th</sup>?**

- The contractor will be mobilizing to 21<sup>st</sup> Street, Brooke Lane, and Brooke Court to begin reclaiming (grinding up) existing bituminous pavement as well as select removals of curb and gutter.
- This crew will continue to work on removals and road subgrade corrections throughout the week.
- Beginning as early as Tuesday, June 11<sup>th</sup> or Wednesday, June 12<sup>th</sup>, the selected trees that were identified before the project to be removed will be taken down. The tree contractor will be removing trees and grinding stumps throughout the week.

### **Important Notes**

- Our contractor will ensure the temporary gravel surface is graded and maintained in this interim status.
- This week the surveyor installed construction stakes placed in the boulevards at locations of utility improvements. PLEASE DO NOT TOUCH these wooden stakes as they are critical for construction.
- **Please refrain from parking on streets under construction from 7 AM to 7 PM starting Monday, June 10<sup>th</sup>**

**Questions or Concerns?** Please Call the Hastings Engineering Department at **(651) 480-2334**
