

2024 Neighborhood Infrastructure Improvements Construction Update #4 – 6/28/2024

What has happened during the past week?

- **21st Street, Brooke Lane, and Brooke Court**
 - Remainder of water main valves requiring rehabilitation were completed. Water main work is finished.
 - Storm sewer piping and structure replacements began.
 - Replacement of concrete curbing and driveway aprons began by the concrete subcontractor, Midwest.
- **17th Street**
 - Removal of existing pavement and concrete curbing was completed from Highland Dr to Pleasant Dr
 - The temporary watermain system was installed and underwent bacteria testing. Upon confirmation the system is safe for drinking, connections will begin to impacted homes as early as today.

What is scheduled for the week of July 1st?

- **21st Street, Brooke Lane, and Brooke Court**
 - Storm sewer improvements will be completed by mid-week, concluding utility work on these streets.
 - Grading and improvements to reclaimed street base material will begin.
 - Concrete curb and driveway replacement tentatively may continue (*additional notice will be provided for impacted driveways*)
- **17th Street**
 - Connections of individual homes to the temporary water system will be completed.
 - Utility improvements will begin, starting with sanitary sewer replacement.
- **No work will take place on the July 4th Holiday. Tentatively, there is also no work expected on Friday July 5th.**

Active Project Area Considerations

- Please refrain from touching or removing wooden survey stakes as they are critical for construction.
- Please refrain from parking on streets under construction from 7 AM to 7 PM

Removal of existing storm sewer

Compacting around rehabilitated water valve
