

2024 Neighborhood Infrastructure Improvements Construction Update #5 – 7/3/2024

What has happened during the past week?

- **21st Street, Brooke Lane, and Brooke Court**
 - Remainder of storm sewer improvements are now complete.
 - Replacement of concrete curbing and driveway aprons is now complete.
- **17th Street**
 - Removal and hauling away of existing road base material began.
 - The temporary watermain system is installed and has cleared bacteria testing. With weather delays and the 4th of July Holiday, connections to existing homes will be delayed until next week.
- **Pleasant Park**
 - Removal of existing trail pavement and grading improvements began.
- **Highland Drive**
 - Rehabilitations began on existing water main valves.

Note: No work is scheduled for July 4th or July 5th.

What is scheduled for the week of July 8th?

- **21st Street, Brooke Lane, and Brooke Court**
 - Grading and improvements to reclaimed street base material will take place in preparation for paving.
- **17th Street**
 - Connections of individual homes to the temporary water system will be completed.
 - Utility improvements will begin, starting with sanitary sewer replacement.
- **Pleasant Park**
 - Work will continue on grading trails and preparing trails for new pavement.
- **Highland Drive**
 - Water main valve rehabilitations will continue and should be completed by the end of the week.

Active Project Area Considerations

- Please refrain from removing wooden survey stakes and parking on streets under construction from 7 AM to 7 PM.
