

2024 Neighborhood Infrastructure Improvements Construction Update #6 – 7/12/2024

What has happened during the past week?

- **21st Street, Brooke Lane, and Brooke Court**
 - Grading and improvements to reclaimed street base material in preparation for paving began.
- **17th Street**
 - Replacement of sanitary sewer structures and sewer mains began.
- **Pleasant Park**
 - Trail grading and placing of new aggregate base material began.
- **Highland Drive**
 - Rehabilitations on existing water valves were completed.

What is scheduled for the week of July 15th?

- **21st Street, Brooke Lane, and Brooke Court**
 - Grading of street base material will continue.
 - Paving the 1st of 2 layers of asphalt may take place as early as later in the week, otherwise this will be completed the week of July 22nd. Additional notice will be provided via doorhanger once scheduled.
- **17th Street**
 - Sanitary sewer improvements will continue and are planned to be completed.
 - Watermain improvements will begin.
- **Pleasant Park**
 - Grading and preparation of base material for new trails will continue.
- **Highland Drive**
 - The remaining storm sewer improvements will be completed.
 - Street removals will begin to take place at the end of the week.

Active Project Area Considerations

- **Trails within Pleasant Park are currently closed – please refrain from walking along them at this time.**
- Please refrain from removing wooden survey stakes and parking on streets under construction from 7 AM to 7 PM.
- The temporary water is now operational along 17th Street. Please refrain from touching or mowing near the temporary water system. If there is an issue with the system or it is leaking, please call the number below.
