

2024 Neighborhood Infrastructure Improvements Construction Update #7 – 7/19/2024

What has happened during the past week?

- **21st Street, Brooke Lane, and Brooke Court**
 - Grading and improvements to reclaimed street base material in preparation for paving continued.
- **17th Street**
 - Replacement of sanitary sewer structures and sewer mains continued.
 - Replacement of water main lines began.
- **Pleasant Park**
 - Trail grading and placing of new aggregate base material continued.

What is scheduled for the week of July 22nd

- **21st Street, Brooke Lane, and Brooke Court**
 - Paving of the streets is scheduled for Monday July 22nd. An additional notice was provided via doorhanger.
- **17th Street**
 - Sanitary sewer and water main improvements will continue.
- **Pleasant Park**
 - Grading and preparation of base material for new trails will continue.
 - Paving of the trail may be as early as this coming week, otherwise, it will be the following week.
- **Highland Drive (South of 17th Street)**
 - The remaining storm sewer improvements will be completed.
 - Street removals will begin to take place on Monday July 22nd.

Active Project Area Considerations

- **Trails within Pleasant Park are currently closed** – please refrain from walking along them at this time.
- Please refrain from removing wooden survey stakes and parking on streets under construction from 7 AM to 7 PM.
- The temporary water is now operational along 17th Street. Please refrain from touching or mowing near the temporary water system. If there is an issue with the system or it is leaking, please call the number below.

Sanitary sewer improvements on 17th Street

Street grading on 21st Street
