  - Street removals took place throughout the week.
  - Storm sewer improvements were completed.
  - Concrete replacement of removed curb occurred at the end of the week.

## What is scheduled for the week of July 29<sup>th</sup>

- **21<sup>st</sup> Street, Brooke Lane, and Brooke Court**
  - Site cleanup and restoration will continue.
  - Castings (manhole lids) will be raised up to the height of the final pavement layer.
- **17<sup>th</sup> Street**
  - Sanitary sewer and water service replacements will continue.
- **Pleasant Park**
  - Paving of trails is tentatively scheduled to take place.
- **Highland Drive (South of 17<sup>th</sup> Street)**
  - Grading and improvements to reclaimed street base material will begin in preparation for paving.
  - Concrete replacement of removed driveways is scheduled for Monday. Impacted residents received an additional notice via door hanger.

## Active Project Area Considerations

- **Trails within Pleasant Park are currently closed** – please refrain from walking along them at this time.
- Please refrain from removing wooden survey stakes and parking on streets under construction from 7 AM to 7 PM.
- Please refrain from touching or mowing near the temporary water system along 17<sup>th</sup> Street. If there is an issue with the system or it is leaking, please call the number below.

*Sanitary sewer and water service replacement*

*Street paving on 21<sup>st</sup> Street*
