

2024 Neighborhood Infrastructure Improvements Construction Update #9 – 8/2/2024

What has happened during the past week?

- **17th Street**
 - Replacement of sanitary sewer and water mains continued.
 - Water main was tested for leaks and bacteria from Pleasant Drive to Highland Drive and cleared both.
 - Replacements of sanitary sewer and water services to homes were completed.
 - Storm sewer improvements began.
- **Highland Drive (South of 17th Street)**
 - Street removals were completed.
 - Driveway and curb replacements were completed.
- **Highland Drive (North of 17th Street)**
 - Street removals took place.

What is scheduled for the week of August 5th

- **17th Street**
 - Storm sewer improvements will continue.
 - Once final testing is complete, we will begin switching residents from the temporary water system to the newly installed watermain. Impacted residents will receive additional info via door hanger.
- **Highland Drive (North of 17th Street)**
 - Utility improvements will begin. We will begin by hooking residents up to temporary water. Impacted residents will receive an additional notice via door hanger.
- **Brittany Road**
 - Street removals may begin weather dependent.
 - We may begin hooking residents up to temporary water. Impacted residents will receive an additional notice via door hanger before we start the hook up process.

Active Project Area Considerations

- **Trails within Pleasant Park are currently closed** – please refrain from walking along them at this time.
- Please refrain from removing wooden survey stakes and parking on streets under construction from 7 AM to 7 PM.
- Please refrain from touching or mowing near the temporary water system along 17th Street. If there is an issue with the system or it is leaking, please call the number below.

Sanitary sewer improvements

Water service installation
