

## 2024 Neighborhood Infrastructure Improvements Construction Update #12 – 8/23/2024

### What has happened during the past week?

- **17<sup>th</sup> Street**
  - Grading of road base material continued in preparation for new concrete curb and driveways.
- **Highland Drive (North of 17<sup>th</sup> Street)**
  - Sanitary sewer and water main improvements were completed, including all services to homes.
  - Grading of road base material began in preparation for new concrete curb and driveways.
  - Testing began on newly installed watermain for leaks and bacteria.
- **Brittany Road**
  - Boulevard and street removals continued.
- **Pleasant Park**
  - Final grading along the newly paved trails was completed.

### What is scheduled for the week of August 26<sup>th</sup>

- **17<sup>th</sup> Street**
  - Grading of road base material will continue in preparation for new concrete curb and driveways.
- **Highland Drive (North of 17<sup>th</sup> Street)**
  - Grading of road base material will continue in preparation for new concrete curb and driveways.
  - Once final testing is completed, we will begin switching residents from the temporary water system to the newly installed water main. Impacted residents will receive additional info via door hanger.
- **Brittany Road**
  - Street removals will continue.
  - Utility improvements will begin. We will begin by hooking residents up to a temporary water system. Impacted residents should have received an additional notice via door hanger.

### Active Project Area Considerations

- Please refrain from removing wooden survey stakes and parking on streets under construction from 7 AM to 7 PM.
- Please refrain from touching or mowing near the temporary water system. If there is an issue with the system or it is leaking, please call the number below.

*Grading of road base material*

*Storm sewer improvements*
