

CITY OF HASTINGS IS OFFERING PAPERLESS BILLING! Go green and get less paper in your mailbox! When you sign up for paperless billing (it's free), you're opting not to receive your regular printed bill in the mail. Instead, the City of Hastings will send your quarterly bill to you via email. Paperless billing is easy, convenient, and earth-friendly.

It is simple, just complete the form below and return it to the City of Hastings. All future bills will be emailed to you. Your utility bill will show up in your inbox from the mail source [FinanceDept@hastingsmn.gov](mailto:FinanceDept@hastingsmn.gov). Please print clearly so your email address can be entered correctly.
